investor-relations@ropertech.com**Roper Technologies, Inc.****Roper Technologies Announces Finance Executive Appointments****Zack Moxcey Named Vice President, Investor Relations****Shannon O'Callaghan Named Vice President of Finance**

Sarasota, Florida, June 13, 2017 ... Roper Technologies, Inc. (NYSE: ROP), a diversified technology company, today announced the appointment of two executives to its finance team.

Zack Moxcey has been named Vice President, Investor Relations. Mr. Moxcey joins Roper from Microsoft where he was Director, Investor Relations, focused on the Cloud & Enterprise and Applications & Services engineering groups. He also served at Microsoft as Group Finance Manager, Office Division and Senior Finance Manager, Enterprise & Partner Group. Prior to joining Microsoft, Mr. Moxcey was a consultant with Silver Oak Solutions and an investment banker with Piper Jaffray. Mr. Moxcey received a BS in Business Administration from the University of Colorado (Boulder) and an MBA from Harvard Business School.

Shannon O'Callaghan has been named Vice President of Finance. Shannon joins Roper from UBS Securities where he was a Managing Director and Senior Analyst covering the Electrical Equipment & Multi-Industry sector. He previously served in similar capacities at Nomura Securities International, CLSA, and Barclays Capital/Lehman Brothers. Shannon is a CFA charterholder and received a BA in English and MA in Sociology/Political Economy from Boston College, and an MBA from MIT Sloan School of Management.

"We are excited to welcome these two talented financial executives to the Roper team," said Rob Crisci, Roper's Vice President and Chief Financial Officer.

About Roper Technologies

Roper Technologies is a constituent of the S&P 500, Fortune 1000, and the Russell 1000 indices. Roper designs and develops software (both software-as-a-service and licensed), and engineered products and solutions for healthcare, transportation, food, energy, water, education and other niche markets worldwide. Additional information about Roper is available on the Company's website at www.ropertech.com.
